Discover the flavors of Fishtown, Port Richmond and Kensington!

[Restaurant Week](#) runs from Friday, May 1st to Wednesday, May 6th. To celebrate, 12 restaurants in Fishtown, Kensington and Port Richmond will offer either fixed-price menus or entrees ranging from \$10-\$30. Discover the diverse flavors of the north river wards, ranging from pub fare to Italian, from Yugoslavian to American traditional. Since January 2007, the Fishtown and Kensington area has attracted nine new eateries, with more on the way! Our river wards restaurateurs are thrilled that local residents have been choosing to spend their dollars in the neighborhoods, and look forward to seeing much more of them throughout 2009.

Participating Restaurants include:

Bistro Juliana, Ida Mae's Bruncherie, Jovan's Place, O'Reilly's Pub, Hot Potato Cafe, Sketch Burger, Hinge Café, Cassizzi's Pizzeria, Johnny Brenda's Tavern, Green Rock Tavern, New Wave Cafe, Mercer Cafe. Read all about them on the [Participating Restaurants Page](#).

This is a project organized by local restaurant owners with assistance from the NKCDC's Economic Development Program.
